Dear Mr. Enerio,

*Certification to ISO 9001:2008*

After your successful completion of the requirements for certification, Certification International Philippines, Inc. hereby awards the *Tourism Promotions Board Philippines* a Certificate of Registration to ISO 9001:2008. The Certificate is valid from 21 January 2016, with the following scope:

*"Design, development and provision of Philippine tourism marketing and promotion services."*

Your ISO 9001:2008 Certificate is valid until 14 September 2018, subject to satisfactory results of annual surveillance audits. The further extension of your Certificate within its three-year validity period will require your QMS to successfully complete a transition audit to ISO 9001:2015. This transition audit should take place not later than 14 June 2018 to provide enough time to update and replace your existing QMS Certificate to the new ISO 9001:2015 edition and also to be ahead of the full worldwide phase out of the ISO 9001:2008 edition by 15 September 2018. Your future ISO 9001:2015 Certificate will be valid until 20 January 2019.

As a certified organization, you are required to maintain your Quality Management System and to comply with CI's Conditions of Certification, including the use of CI's Certificate of Registration and Quality Mark in accordance with CI Regulations Part 4 and Part 5 (copy enclosed).

The validation of the consistent implementation and effectiveness of your improvement actions on the non-conformities cited during the Stage 2 audit will be carried out on the first surveillance audit.

Congratulations on your accomplishments with the use of ISO 9001:2008 as an instrument for enhancing the competitiveness of your organization and for meeting your customers' needs and expectations. We look forward to a strong partnership that will maximize your organization's benefits from its certified Quality Management System.

Best wishes for your continued success.

Very truly yours,
