Qty	Particulars	Estimated Total Amount
30 pax	<p style="text-align: center;"><b>Services of a Tour Operator to provide Interpreters for the Philippines – Korea Travel Exchange 2019</b></p> <p><b>Background</b></p> <p>The Korean market has consistently been the top source of tourist traffic for the Philippines. It first reached the one million mark in the year 2012. In 2007, a total of 1,607,821 Korean tourists came to the Philippines. Last year, it turned out that the number of Korean tourist arrivals was 1,587,959, which is quite a good result considering the 6-month Boracay Island closure in April-October although Palawan as a new destination for the Korea market was emerged with direct flights via Philippine Airlines from June to October 2018 and Eastar Jet from October till the present. Consequentially, the loss of Korean tourist arrivals by the Boracay Island closure in April-October has been covered by tour products of Cebu and Clark with increased flights starting from the winter peak season in 2018.</p> <p>Given the scenario, we have to immediately recover the number to reach this year's target of 2 million Korean tourists. Part of our action plan is to implement the Philippine Korea Travel Exchange (PHILKOTEX) on June 26-July 02, 2019.</p> <p>PHILKOTEX is a travel trade event to be held in Manila to be participated by about 80-100 qualified Korean tour operators and agents, composed of both product developers and frontline sales agents. They will participate in the table-top business appointments with accredited Philippine tourism suppliers from top destinations favored by the Korean travelers like Manila, Clark, Subic, Bohol, Cebu, Boracay, Iloilo, Sicogon and Palawan.</p> <p>TPB has initiated this marketing activity to expand more Philippines offerings of new tourism products and services on participating agents' travel package portfolios. With their first-hand experience of the country, it will further increase product knowledge and develop more Philippine specialists within each of the travel partners that will help them better to sell the country in Korea.</p> <p>In this regard, the PHILKOTEX Committee is in need of tour operators who will organize the various TPB-hosted tours.</p> <p><b>Details of the Event</b></p> <ul style="list-style-type: none"> <li>• <b>Date:</b> 27 June 2019</li> </ul>	Php210, 000.00
