The said CPCS approval expressly authorizes the TPB to implement Category 2 Salary Structure for its 163 positions based on the authorized CPCS Job Grade equivalent positions, pursuant to Executive Order No. 150 dated October 1, 2021, its implementing rules and regulations, and corresponding CPCS circulars for each PS item.

b/ The approved MOOE level is computed considering the TPB's absorptive capacity i.e., historical budget utilization rates (BURs) of at least three (3) years, applying the year with the highest BUR to determine FY 2023 MOOE level, and the latest report on expenditures of the current year and the doable programs, activities and projects of the TPB until the end of the year.

c/ The approved CO level considers the implementation-readiness of the projects and activities under the respective CO items which are expected to be completed within the year as certified by the Corporation.

The purchase of transportation equipment shall be consistent with the following guidelines:

- Per Budget Circular No. 2022-01 dated February 11, 2022, the proposed acquisition of motor vehicle is delegated to the Department of Budget and Management. The corresponding **Authority to Purchase Motor Vehicle shall be acted upon separately** upon submission of the required supporting documents listed under item 13.0 of Budget Circular No. 2022-2 dated February 11, 2022.
- Procuring entities may undertake their own procurement of motor vehicles pursuant to GPPB Resolution No. 20-2019 which delisted the motor vehicles from the list of Common-Use Supplies and Equipment to be procured through the Procurement Service (PS).

Notwithstanding this approval, the TPB still has the flexibility to modify its utilization within the total DBM-approved budget level.

Further, the following conditions shall be observed and complied with:

- All expenditures, whether for current operating expenditures or for COs, shall be made within the limits of available funds realized from corporate receipts, authorized corporate borrowings and NG budgetary support either in the form of subsidy, equity or loans outlay.
- Any increase in the approved principal COB in the course of the budget year, as may be warranted by additional corporate receipts, shall require the submission of a supplemental COB to cover the additional expenditures.
