**I. BACKGROUND**

The Tourism Promotions Board (TPB), in collaboration with the Department of Tourism (DOT) and various motorcycle rider clubs and associations in the Philippines, will embark on its first nationwide Motorcycle Tourism (MOTOURISMO) from November 2020 – March 2021. The conduct of MOTOURISMO aims to help rebuild the confidence of the traveling public to travel domestically and eventually for the tourism industry to bounce back from the negative impact of the recent COVID-19 pandemic crisis. This further aims to tap motor riders as domestic tourism ambassadors who will help promote the Philippines as a fun and diverse country.

This sports tourism project shall be conducted by way of providing the following to support the motorcycle clubs and association:

1. Media launch to create noise that will signal the country's tourism industry's gradual bouncing back after the COVID-19 pandemic crisis hardly hit.
2. Providing safety gear for the riders like reflectorized vests and t-shirts
3. Provision of Anti-Gen
4. MOTOURISMO Webinar
  - "Road Safety under the New Normal"
  - "Philippine Motorcycle Escapades"
