

## TERMINAL REPORT

### **CORPORATE SOCIAL RESPONSIBILITY (CSR): Community Assistance to Bicol Region 23 November 2020**

#### **I. Executive Summary:**

In response to the damage caused by the super typhoon **Rolly**, the Corporate Planning and Business Development Department (CPBDD) conducted the 2<sup>nd</sup> leg of the Corporate Social Responsibility (CSR) Program: Community Assistance to Bicol Region. In coordination with the regional offices of Land Transportation Office (LTO) and Department of Tourism (DOT), this CSR leg aims to assist with the donation of 700 food packs and 700 hygiene kits to the affected families and tourism workers in the Bicol Region.

The TPB volunteers started repacking the food packs and hygiene kits on 21 November 2020, and through the help of LTO Regional Offices IV-A and V, the 92 boxes containing these goods were received by LTO-Naga on 23 November 2020. Aside from the relief bags and hygiene kits, TPB has also collected four (4) boxes of personal donations from its employees. The 14 boxes for DOT V Regional Office were then personally delivered by LTO Region V Director Francisco P. Ranches Jr. on 01 December 2020.

On 02 December 2020, the DOT Regional Office V, headed by Officer in Charge Fe Abuela, started distributing the relief goods to the Regional Office's tourism officers and other tourism officers and tour guides in the areas of Rinconada, Partido, and Caramoan. On the same day, the Regional Law Enforcement Unit of LTO Bicol, together with some LTO Ragay employees, organized the Relief Operations and Feeding Program at Brgy. Tagbac, Ragay, Camarines Sur. The team shared relief goods to the residents adversely affected by the typhoon.

#### **II. Background**

Considered as one of the strongest typhoons in 2020, the super typhoon "**Rolly/Goni**" made its landfall in the island province of Bato, Catanduanes, on 01 December 2020. According to the United Nations Office for the Coordination of Humanitarian Affairs (UN OCHA), around 68.6 million people were affected by the "most powerful typhoon" in 2020. The Department of Public Works and Highways (DPWH) estimated that infrastructure damage reached Php5.8 billion. Typhoon **Rolly** displaced a total of 359,690 residents or 102,682 families in Bicol.

To provide community assistance to the affected province, the TPB volunteers prepared 700 food packs and 700 hygiene kits for distribution by DOT Region V and LTO Region V.

**Objectives:**

- To provide aid and support to the super typhoon-affected families and tourism workers in Bicol Region;
- To cultivate the culture of giving and volunteerism among TPB personnel
- To comply with GCG Memorandum Circulars 2012-07 and 2015-07, which require GOCCs to include their interaction with communities and other corporate social responsibility activities in their adherence to the Code of Corporate Governance;

**III. Targets and Volunteers:**

Twenty-nine (29) TPB employees, three (3) security guards, and five (5) utility personnel volunteered in the project.

There are also 700 families and tourism workers that will benefit from the relief bags and hygiene kits.

**A. TPB Volunteers**

#### **IV. Green Initiatives**

Instead of providing plastic bags, TPB used the CSR Drawstring Bags for the hygiene kits and the TPB Luggage organizers for the repacking food pack. The recipients can re-use these bags as storage for their belongings.

#### **V. Lessons: "Aha" Moment:**

- The effects of Climate Change can now be seen and experience more than;
- Inter-agency coordination can ease up logistical issues in projects
- Other government agencies' assistance can make TPB's relief operations possible even without TPB personnel being on the ground.
