

**TOURISM PROMOTIONS BOARD
REGULAR BOARD OF DIRECTORS' MEETING
SEPTEMBER 2021 VIA ZOOM MEETING**

TECHNICAL SPECIFICATION

Food and Beverage

BACKGROUND

The COVID 19 pandemic has greatly affected the tourism industry including the convening of significant meetings which are now mostly conducted virtually.

The Tourism Promotions Board (TPB) aims to regularly meet, deliberate and act upon important matters regarding the various projects of TPB to ensure their proper and timely implementation.

Since the implementation of Modified Enhanced Community Quarantine in May 2020, the Tourism Promotions Board regularly conducts its monthly virtual board and committee meetings upholding the safety of its board members and other concerned officials while servicing the tourism stakeholders.

With board meetings organized virtually and usually lasting for 2 to 3 hours, planning and discussing over food can set a more productive discussion in achieving a specific goal. Additionally, it sets the platform for a more relaxed atmosphere, and invites alternate conversation for a laid-back agenda.

In appreciation to the continuous support and consistent call to action of the Tourism Board Members and concerned TPB Officials, food and beverage with delivery service to their respective addresses is being recommended for the upcoming Virtual TPB Regular Board of Directors' Meeting on 30 September 2021.
