

NOTICE TO THE PUBLIC

The Tourism Promotions Board (TPB), in partnership with the Philippine Children's Medical Center (PCMC), informs the public that effective **01 November 2021**, the cost of the RT-PCR Test will be **FULLY SUBSIDIZED** (free of charge) for qualified domestic tourists.

Kindly visit <https://www.tpb.gov.ph/rtpcrphtravel-application/> for more information on the application procedures and requirements. You may also visit <https://app.philippines.travel/> to check and verify requirements and protocols for tourists in various destinations.

We encourage you to also check with the airline company you will be flying with and the hotels/resorts you will be staying at on their protocols for the resumption of leisure travel.

For those who have already submitted their applications, there is no need to send new applications. The 100% subsidy will also be applicable to those who have already applied whose departure date is November 01 onwards.

For any queries, please contact the TPB PCMC Team through the email address: phtravel_pcmc@tpb.gov.ph or the TPB Official Facebook page.

Thank you for your support as we continue to pray for the safety and well-being of everyone.
