

**TERMS OF REFERENCE
FOR SERVICE PROVIDER TO SUPPLY AND DELIVER BIRTHDAY CAKES 2022**

I. RATIONALE

As part of the Knowledge Management and Engagement Program of the TPB, townhall meetings were conducted to share updates and present upcoming projects to all personnel while providing them an opportunity to connect with other members of the organization.

Part of the activity is acknowledging birthdays by giving out cakes to the celebrants of the particular month. Birthdays are one of life's epiphany moments, and appreciating our personnel on this date will give them a sense of belongingness and a great opportunity to better engage employees and show them they are appreciated members of the Corporation.

In view of the COVID 19 pandemic, certain health protocols were mandated including the declaration of community quarantines and observation of physical distancing which necessitated the virtual conduct of townhall meetings and adoption of alternative work arrangements.

II. OBJECTIVE

To engage the services of a provider that will buy and deliver cakes to concern TPB personnel in their place of residence on specified dates.
