5. TPB CORE Values

A.G.I.L.E.

ADAPTABILITY

We respond effectively to unforeseen challenges and adjust creatively to changing working conditions to meet our objectives.

GROWTH

We embrace learning and development to improve, expand, and hone all inherent and acquired talents to accomplish things previously thought impossible.

INTEGRITY

We consistently adhere to strong moral and ethical principles and uphold honesty.

LEADERSHIP

We influence, direct, motivate, and empower people towards the achievement of common welfare, in a regime of service, gratitude, accountability and compassion.

EXCELLENCE

We are committed to pursue the highest quality in the performance of our duties and in delivering services to our industry stakeholders.
