LOGO SYMBOLISM

The logo makes use of colors modified to represent the youthful nature of the corporation and its desire to tap into this renewed energy, vigor and vitality to market and promote Philippine tourism.

The color blue represents the pride that TPB feels with the natural, cultural and historical beauty of the Philippines, as well as the fun nature of the Filipino people which it endeavors to aggressively promote.

The color red symbolizes the core values of the officers and staff of the TPB, best described through the acronym POWER (Passionately-Driven, Outstanding Leadership, Well-Balanced Work Environment, Empowered Organization and Responsive Partners).

The color green states the corporation's commitment to the protection of the environment, and adherence to the principles of good governance and inclusive growth.

PHL is the modern three-letter representation of the country worldwide, which is indicative of the forward vision of the corporation to maximize the digital platform in its marketing promotions functions. Alternatively, the entire name of the country is spelled out in the full version of the TPB logo.

The DOT logo is faintly seen in this TPB version, to symbolize the corporation's attachment to its mother agency and its support for the plans, programs and policies of the Department. It also provides texture to the overall application of the logo/brand.
