CORPORATE SOCIAL RESPONSIBILITY (CSR) 2022-1st Leg: Community Assistance to Sta. Cruz Island, Zamboanga City 25-26 June 2022

I. EXECUTIVE SUMMARY

Due to the strict travel restrictions and lockdowns being implemented in different provinces of the country, it was only this year that The Tourism Promotions Board (TPB) had the chance again to conduct its Corporate Social Responsibility (CSR) Program in the other parts of Philippines. This year's first leg of the CSR was conducted last 25-26 June 2022 in Sta. Cruz Island, Zamboanga City.

On 25 June 2022 at around 3PM, the TPB team arrived in Zamboanga. After a quick visit at the Yakan Village, TPB's Chief Operating Officer Maria Anthonette C. Velasco-Allones signed the Memorandum of Agreement (MOA) on the "SalomZamPen Diving in Zamboanga Peninsula 2023" and the "Zamboanga Open Swim 2023" together with Department of Tourism Region 9 (DOT-R9)'s Regional Director Krisma Rodriguez.

The next day, the team left their hotel at 5AM and proceeded to the Sta. Cruz Island to set-up the venue for the turn-over. The program started with a shortened Mangrove Tour and followed by the turn-over ceremony. TPB provided 141 bags containing various school supplies i.e., writing notebooks, pencils, crayons, pad papers, destination postcards and colored pens to the students in the island as well as 60 pieces of dry bags to the fishermen or the Hope Paddlers of the community. Apart from the donations, the team also organized a "soup kitchen" where the kids and some residents were served with a hot arroz caldo and fruit juice.

Right after the soup kitchen, the TPB Team proceeded to the beach front to formally turn-over to the community the six vinta boats and six yellow flatboats as part of the starter kits given during the conduct of DPD's Tourism Mobile Workshop last 06-10 April 2022. The beneficiaries' happiness doubled as the island was also celebrating the "Fiesta na Isla" event of the Protected Area Management Office (PAMO) of Zamboanga City.

Before ending the program, the team ate lunch through a boodle fight that was prepared at the island. After a quick photo opportunity with the community, they left the island to get ready for their return flight to Manila.

II. BACKGROUND

Upon knowing that there will be a turn-over of the flatboats and vinta boats, the Corporate Planning and Business Development Department (CPBDD) gladly proposed to be part of the ceremony through the CSR Program in which DPD agreed to. Hence, the first leg of the CSR Program for 2022 coincided with the Marketing Assistance to Sustainable Community-Based Tourism (SCBT)-Sites Program of the DPD.

The Sta. Cruz Island is inhabited by 91 families who belong to the Sama-Banguigui Tribe. To date, there are 87 students (from Daycare to Grade 6), and 26 children who are below the school age that reside in the island. Through our partnership with the Peoples Organization of Sta. Cruz Island, these children received bags containing schools supplies and the Hope Paddlers got dry bags that can be used for their daily paddling. The team has also organized a soup kitchen for the kids.

III. OBJECTIVES

- To highlight the importance of education;
- To provide the kids of the Sta. Cruz Island educational materials;
- To provide sustainable livelihood to the community;
- To value the fishermen or the Hope Paddlers of the community;
- To give importance to the hard to reach communities of the Philippines;
- To cultivate the culture of giving and volunteerism among TPB personnel; and;
- To comply with GCG Memorandum Circulars 2012-07 and 2015-07 which require GOCCs to include their interaction with communities and other corporate social responsibility activities in their adherence to the Code of Corporate Governance

IV. TARGETS AND VOLUNTEERS

Seven (7) TPB employees were involved in the project.

From the total number of volunteers, four were Female and three were Male.

There are 87 students (from Daycare to Grade 6), and 26 children who are below the school age that reside in the island. Among the students, 62 are Male and 25 are Female.

V. LESSONS: "AHA" MOMENT:

- Our local communities in the far-flung areas of the Philippines are striving for their youth to get the education they deserve;
- NGO's and other organizations alike are a big help to these communities as they make them be known and be recognized, aid them in their livelihoods as well as educate them on their potentials;
- Through our CSR Program, we can reach a lot more indigenous committees and network with more NGOs.
- The marking of "Bagong Pag-Asa" on the yellow flatboats, and vinta boats was very symbolic, as the support provided by TPB to the community truly gave them a renewed hope to make their lives better.
