### I. BACKGROUND

The Philippine Motorcycle Tourism is a fast-growing niche market in the Philippines, whose numbers are increasing up to the present. Significant islands in our country are being explored by motorcycle – the unspoiled landscapes, beautiful and serene coasts, green forest wildlife, and natural splendors. This is a marginal practice with special habits where taking the road, riding styles, and camaraderie play essential roles. This motorcycle tourism is an excellent example of the unusual and marginal nature of this tourism.

Capitalizing on the tourism potential, the TPB Philippine Motorcycle Tourism Program collaborated and partnered with the Department of Tourism (DOT) and various motorcycle rider clubs and associations in the Philippines.

Holding this kind of event will offer a good promotional value not just in the tourism destinations but also can help generate revenue for business and service providers in the locality. Participants will increase spending on which will be spent on transportation, gasoline, lodging, restaurants, entertainment, and shopping, thus contributing to increasing the sales in the tourism business industry. While traveling, adapting measures on health and safety protocols to fight against COVID19 will be strictly observed on the part of organizers, participants, and service providers

1. In line with the thrust of the Tourism Promotions Board in the promotion of motorcycle tourism, the Club 200 Riders Association, Inc. embarked on a collaborative endeavor to conduct the Clark Motorcycle Festival on 10-11 February 2023, to develop fellowship and camaraderie among the motorcycle riding community nationwide from Luzon, Visayas and Mindanao.

Furthermore, this event seeks to promote tourism and establish Clark as a hub and a jump off point for all destinations in Luzon, enhanced with the completion of CCLEX leading to Baler, Daang Kalikasan connecting Pangasinan to Zambales and the Tinoc Highway that established a new highest point in the Cordilleras.

This motorcycle riding event in Clark will bring in revenues for hotels, restaurants, gasoline stations and tollways and will afford the visiting riders to plan for their elective destinations within Northern Luzon.

2. On 23rd of January of 1899, the first Philippine Republic was proclaimed in Malolos, Bulacan. In recognition of the said republic and of its President Emilio F. Aguinaldo, people from all walks of life, flocked to Malolos, Bulacan to celebrate this historic event.

The Republika Ride is spearheaded by Breakfast Ride Community and a commemoration of that milestone in our history. Bikers from all over will troop to Malolos, Bulacan, thus, giving credence to the city's noble contribution to nationhood and freedom. Literacy and awareness are imparted to participants making them appreciative of their citizenship as Filipinos of the Republic of the Philippines.

The Tourism Promotions Board (TPB) Philippines needs the services of a Tour Operator for the "*Clark Motorcycle Festival*" and "*Republika Ride 2023*"

## II. OBJECTIVES

This activity aims to:

- Advocate and promote road safety travel among the participants and adapt the government's safety guidelines and protocols in the hospitality industry as a new normal;
- Explore and promote Bacolod as one of the "Most visited and Quickest Getaway destinations in the country";
- Contribute to increase in the sales of the tourism business industries in the city amidst pandemic; and
- Encourage more motorcycle sports enthusiasts to engage in a tourism activity as a potential niche tourist product.
