

TOURISM PROMOTIONS BOARD

TECHNICAL SPECIFICATIONS

Services of a Tour Operator for the September 2023 Regular Board of Directors'
Meeting and Participation in PHITEX 2023 Activities

I. BACKGROUND

Section 51 of Republic Act No. 9593 (RA 9593), otherwise known as "*The Tourism Act of 2009*," and Section 41(a) of its Implementing Rules and Regulations (IRR), provides that the Tourism Board shall meet at least once a month at the principal office of the Tourism Promotions Board (TPB), unless the Tourism Board previously agrees in writing to meet at another location.

Further, in compliance with the principle of good governance and pursuant to pertinent rules and regulations of the Governance Commission for GOCCs (GCG), TPB ensures the regular conduct of Board meetings to enable the Members to promulgate policies, approve programs and prescribe rules and regulations necessary to implement the intents and purposes of the Corporation; to authorize contracts or agreements as may be necessary for the proper, efficient and stable administration of TPB; and to deliberate on matters which require action and decision from the Board.

Section 50(d) of RA 9593 states that the Tourism Board is mandated to promote the Philippines as a center for international meetings, incentives, conventions, exhibitions, sports, medical tourism, and other special events.

As part of its mandate to promote the Philippines as a major global tourism destination, the TPB is organizing the 22nd Philippine Travel Exchange (PHITEX) 2023 on 19-26 September 2023 in Cebu City.

The event hosts qualified buyers from all over the world to participate in tabletop business appointments with Philippine sellers and experience the Philippine tourism destinations through pre/post tours with an end-goal of increasing tourist arrivals in the country. It has become a major annual marketing event that further strengthens the country's brand image and encourages participants to promote affordable and competitive tourism packages.

The Tourism Board will conduct the September 2023 Regular Board and attend the PHITEX 2023 activities from 18 to 22 September 2023 in Cebu City.

II. OBJECTIVES

This activity aims to ensure compliance of the Tourism Board with both the Tourism Act and Code of Corporate Governance relative to the attendance of the members to regular monthly board meetings. Furthermore, the Board's participation to the PHITEX 2023 activities would enable to provide a greater opportunity for the Board to oversee and monitor the Tourism Promotions Board (TPB) in fulfilling its mandate to market and promote the Philippines domestically and internationally as a major global tourism destination.
