### **TECHNICAL SPECIFICATIONS**

## SUPPLY AND DELIVERY OF PHILIPPINE TRAVEL EXCHANGE (PHITEX) 2023 UNIFORM

#### I. BACKGROUND

The Philippine Travel Exchange (PHITEX) is the largest government-organized travel trade event in the country. Conceived in 1996 as a cost-effective tool in promoting the Philippines and significantly growing inbound tourism, the annual travel event hosts qualified international buyers to meet with accredited Philippine tourism suppliers via one-on-one, table-top business appointment sessions. Another key component is the pre-and post-event tours wherein invited foreign participants are afforded a first-hand experience of the country's beauty and unique warmth of its people from a choice of its popular and emerging destinations.

In addition to the event's business potential, educational seminars have been incorporated in the PHITEX program since 2006 for the private sector participants. The activity endeavors to enhance the sellers' marketing aptitudes by providing them with updates on target source markets, knowledge of promotional innovations, and awareness/information on the latest trends in the travel industry.

#### II. OBJECTIVES

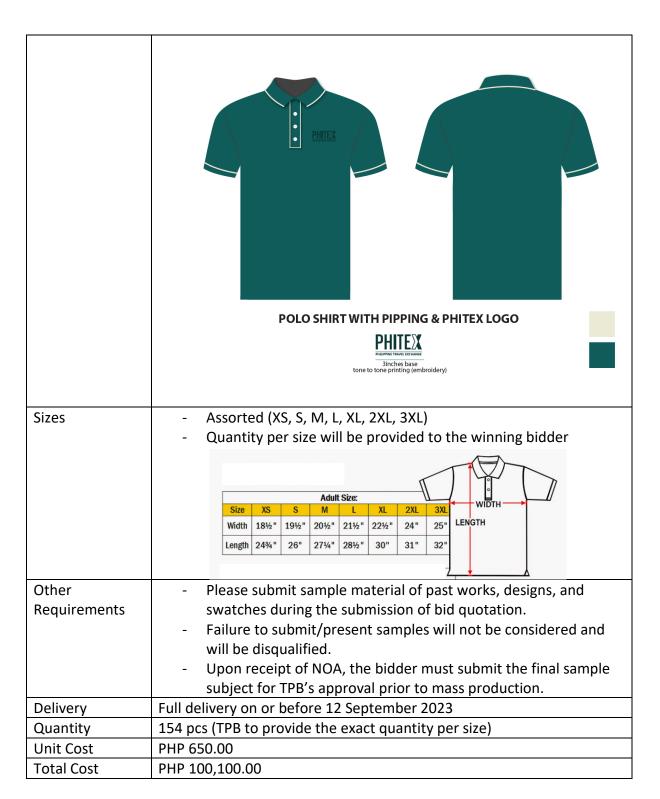

- To provide uniforms to DOT and TPB Officials/Secretariats and student volunteers who will be involved in the implementation of PHITEX 2023.
- To project a professional look and represent DOT/TPB's corporate branding to its clients and stakeholders.
