SUPPLY AND DELIVERY OF THE LTP TANKTOP

TECHNICAL SPECIFICATIONS

I. BACKGROUND

The Tourism Promotions Board (TPB) Philippines is the marketing arm of the Department of Tourism. The agency exists to market and promote the Philippines domestically and internationally as a world-class tourism and MICE destination, in strategic partnership with private and public stakeholders to deliver a unique high-value experience for visitors, significantly contributing to increased arrivals, receipts, and investments to the country.

To ensure maximum exposure of the Philippines in the various tourism source markets of the country, the TPB engages in marketing activities using various media platforms. One of which are collateral materials that help build and strengthen the Philippines as a brand. Collateral materials make an impression and provide a competitive statement and later on win businesses. These collateral or marketing materials are considered as strategic assets of any brand.

Aligning with the thrusts of TPB, all collateral or marketing materials should be well thought of to serve its purpose and contribute to the creation of lasting memories as the recipient experience the country's diverse culture.

II. RATIONALE

Collateral / Marketing materials, particularly giveaways, can be a way to keep the Philippines into the top of the minds of potential tourists. It serves as another form of "word of mouth" publicity as it most likely be shared (not just once) over social media because everyone likes the idea of getting something for free and loves to share potential freebies/premium items with their friends.

The Department of Tourism launched a new brand campaign last June 2023, entitled "Love the Philippines", as a Marketing arm of Department of Tourism we would like to align with the campaign by using the love the Philippines as the main logo for our collateral. This collateral will be use in all TPB events to ensure to build relationship with the recipients, and our promotional materials are purposeful, unique and has a story to tell, we also ensure consistency in quality of the materials as well as its packaging.

III. OBJECTIVES

- a. To help generate recall that TPB Philippines is the marketing and promotions arm of the Philippine Department of Tourism
- b. Ensure brand recognition for "Love the Philippines"
- c. To share a piece of the Philippines and stimulate their minds to visit the country again
